

# Studying Childhood-onset Behavioral, Psychiatric, and Developmental Disorders

NCT01778504

---

|            |  |
|------------|--|
| Status     | RECRUITING                                 |
| Sponsor    | National Institute of Mental Health (NIMH) |
| Enrollment | 1,000 participants                         |

## Key Eligibility Criteria

---

### Inclusion (5)

- Participants will be eligible if they:
- Are aged birth to 99 years
- Have a diagnosed or undiagnosed neuropsychiatric disorder, neurodevelopmental disability or abnormal behaviors.
- Have the ability to understand and sign an informed consent on behalf of themselves or their minor children, or have a legal guardian (or designated DPA).
- Are under the care of a primary physician.

### Exclusion (3)

- Participants will not be eligible if they:
- Are unwilling or unable to be evaluated and followed as clinically indicated. Examples might include children with severe behavioral problems who refuse physical examination.
- The participant does not have a primary healthcare provider.
