

Integrating Pediatric Pharmacogenomic Testing Into the Canadian Health Care System

NCT04249375

Status	RECRUITING
Sponsor	University of British Columbia
Enrollment	150 participants

Key Eligibility Criteria

Inclusion (1)

- Participants will be enrolled if they can benefit from pharmacogenomic testing. This means their physician is considering the use of a drug that is part of the panels (analgesics, antibiotics, and mental health medication) or they are already using one.

Exclusion (1)

- Patients who do not speak or understand English.

Locations (2 total)

Children's and Women's Health Centre of British Columbia, Vancouver, British Columbia, Canada
Children's Hospital of Eastern Ontario, Ottawa, Ontario, Canada
