

Long-term Impact of Infection With Novel Coronavirus (COVID-19)

NCT04362150

Status RECRUITING
Sponsor University of California, San Francisco
Enrollment 800 participants

Key Eligibility Criteria

Inclusion (6)

- Willing and able to provide written informed consent, and
- Age \geq 18 years, and
- A history of SARS-CoV-2 infection, as evidenced by:
 - Available laboratory documentation of SARS-CoV-2 RNA positivity on a nucleic acid amplification test or by serologic testing when this becomes available, or
 - Reference by the participant to a laboratory test performed on respiratory tract secretions or blood, fingerstick, or saliva test that was reported to the participant to be positive for SARS-CoV-2 or COVID-19 infection,
- ... and 1 more (see full listing online)

Exclusion (3)

- Self-reported or documented chronic anemia with hemoglobin $<$ 9 g/dL. Anemia during a preceding acute illness will not be exclusionary.
- Serious medical or psychiatric illness that, in the opinion of the site investigator, would interfere with the ability to adhere to study requirements or to give informed consent.
- Active drug or alcohol use or dependence that, in the opinion of the Principal Investigator, would interfere with adherence to study requirements or to give informed consent.
