

COVID-19 Pandemic Impact on Alcohol (PIA) - A Natural History Study

NCT04391816

Status	RECRUITING
Sponsor	National Institute on Alcohol Abuse and Alcoholism (NIAAA)
Enrollment	1,500 participants

Key Eligibility Criteria

Inclusion (3)

- In order to be eligible to participate in this study, an individual must meet all of the following criteria:
- Participants who have enrolled in the NIAAA Natural History Protocol (14-AA-0181) and completed screening and phenotyping assessments.
- Willing and able to complete frequent (weekly to monthly) surveys either online or by phone.

Exclusion (1)

- As this is a natural history protocol, there are no formal exclusionary criteria for this study. Participants who are determined by the interviewer to be uncooperative or unable to provide consent via telephone will not be enrolled into the study.

Locations (1 total)

NIAAA Section on Human Psychopharmacology, Bethesda, Maryland, United States
