

# Personalized Responses to Dietary Composition Trial 3

NCT04735835

---

Status	RECRUITING
Phase	Not Applicable
Sponsor	Zoe Global Limited
Enrollment	250,000 participants

## Key Eligibility Criteria

---

### Inclusion (7)

- Enrolled in the commercial ZOE testing program
  - Any sex
  - Minimum 18 years of age (minimum 19 years of age in Alabama and Nebraska due to state laws)
  - Body mass index (BMI) of greater than or equal to 16.5 kg/m<sup>2</sup>.
  - Living in the continental US states, other than in New York (excluded from the ZOE testing product also as they are unable to access the dried blood spot service provided by Quest), or living in the UK
- ... and 2 more (see full listing online)

### Exclusion (4)

- Cannot safely eat the pre-made test meals which contain standard US ingredients, e.g. due to allergy or recent gastrointestinal surgery, or are unwilling to consume these foods.
- Are pregnant.
- Have had a heart attack (myocardial infarction), stroke/transient ischemic attack (TIA), or major surgery in the last two months.
- Are unable to read and write in English, as the ZOE app is only available in English.
