

# Natural History of the Human Biological Response to Environmental Exposure and Injury

NCT04888923

---

|            |   |
|------------|---|
| Status     | RECRUITING  |
| Sponsor    | National Institute of Environmental Health Sciences (NIEHS) |
| Enrollment | 2,000 participants  |

## Key Eligibility Criteria

---

### Inclusion (6)

- In order to be eligible to participate in this study, an individual must meet all of the following criteria:
- Stated willingness to comply with all study procedures and availability for the duration of the study.
- Ability to provide informed consent.
- Able to read and speak English.
- Male or female, aged greater than or equal to 18.
- ... and 1 more (see full listing online)

### Exclusion (4)

- An individual who meets any of the following criteria will be excluded from participation in this study:
- Not willing to have samples stored for future use.
- Current pregnancy or lactation, by participant verbal confirmation.
- Any condition that, in the investigator's opinion, places the participant at undue risk for complications associated with required study procedures.
