

# Outpatient Treatment With Anti-Coronavirus Immunoglobulin

NCT04910269

---

<b>Status</b>	RECRUITING
<b>Phase</b>	Phase 3
<b>Sponsor</b>	University of Minnesota
<b>Enrollment</b>	820 participants

## Key Eligibility Criteria

---

### Inclusion (13)

- Clinical risk based on age  $\geq 55$  years or an adult (age  $\geq 18$  years) with an immunosuppressed condition.
- Positive test for SARS-CoV-2 within 5 days (if  $>1$  test, the first positive is within 5 days). Tests may include an institutional-based nucleic acid amplification test (NAAT), or any protocol-approved rapid test.
- Within 5 days from symptom onset, if symptomatic from current SARS-CoV-2 infection.
- Agrees to not participate in another clinical trial for the treatment or management of SARS-CoV-2 infection through Day 7, or until hospitalized or significant disease progression if prior to Day 7 (defined by ordinal category 4 or 5).
- Participant provides written informed consent prior to study procedures, and understands and agrees to adhere to planned study procedures through Day 28.

... and 8 more (see full listing online)

### Exclusion (11)

- Asymptomatic and had prior symptoms from the current infection that have now resolved (for  $>24$  hours).
- Asymptomatic and has received a vaccination for COVID-19 ( $\geq 1$  dose).
- Undergoing evaluation for possible admission to hospital for medical management (this does not include evaluation of possible hospitalization for public health purposes).
- Evidence of pneumonia and/or hypoxia due to COVID-19 (NOTE: chest imaging is not required, but if available it should not show new infiltrates suggestive of pneumonia; hypoxia is defined by new oxygen supplementation or increase above pre-illness level).
- Prior receipt of immunoglobulin product or passive immune therapy for SARS-CoV-2 in the past 90 days (i.e., convalescent plasma, SARS-CoV-2 monoclonal antibodies, or any IVIG).

... and 6 more (see full listing online)

## Locations (65 total)

---

Southern Arizona VA Healthcare System (074-009), Tucson, Arizona, United States  
VA Northern California Health Care System (074-023), Mather, California, United States  
Stanford University Hospital & Clinics (Site 203-003), Palo Alto, California, United States  
... and 62 more locations
