

Validation of a German Version of the Patient Rated Tennis Elbow Evaluation

NCT04911920

Status	RECRUITING
Phase	Not Applicable
Sponsor	Miriam Marks
Enrollment	60 participants

Key Eligibility Criteria

Inclusion (4)

- At least 18 years of age
- Diagnosed lateral epicondylitis
- Receive a first ACP treatment at the Schulthess Klinik
- Signed informed consent form

Exclusion (4)

- Lack of German language skills, which make it impossible to complete the questionnaire
- Diseases or conditions that would prevent accurate evaluation (e.g. central neurological, psychiatric or metabolic diseases)
- Legal incompetence
- Recent operations on the elbow or hand (less than three months ago)

Locations (1 total)
