

Long-Term Follow-up Protocol

NCT04917887

Status RECRUITING
Sponsor Krystal Biotech, Inc.
Enrollment 50 participants

Key Eligibility Criteria

Inclusion (3)

- All adult and pediatric participants who received at least one gene therapy treatment in a previous Krystal Biotech, Inc. sponsored study, and have discontinued or completed the parent treatment protocol (which do not have the LTFU embedded into the parent protocol), as applicable.
- Consent/Assent must be obtained by the participants (and, parental/legal representative, when applicable) prior to any study-related data being collected.
- Participant is willing and able to adhere to the protocol requirements.

Exclusion (1)

- Participants who enroll into a non-Krystal Biotech, Inc. interventional gene therapy clinical trial will be excluded from the study.
