

Microbiome and Malnutrition in Pregnancy

NCT04992104

Status	RECRUITING
Sponsor	The Hospital for Sick Children
Enrollment	800 participants

Key Eligibility Criteria

Inclusion (5)

- Consent provided
- Participant is between 8-20 weeks post-conception
- Female aged 28 years of age and younger
- Confirmation of pregnancy
- Intend to comply with study procedures and follow up

Exclusion (3)

- Women who do not meet the enrolment age criteria
- Women who are 20 + weeks post-conception
- Women who have taken antibiotics within the past 3 months Note: it is common practice to give the mother penicillin in perinatal period if they are GBS positive; because this is standardized across the board it would not act as an exclusion factor.
