

# Study of Sparsentan Treatment in Pediatrics With Proteinuric Glomerular Diseases

NCT05003986

---

Status	RECRUITING
Phase	Phase 2
Sponsor	Travere Therapeutics, Inc.
Enrollment	67 participants

## Key Eligibility Criteria

---

### Inclusion (18)

- A subject must meet all of the following criteria to be eligible for participation in this study:
  - The subject or parent/legal guardian (as appropriate) is willing and able to provide signed informed consent/assent, and where required, the subject is willing to provide assent before any screening procedures per local requirements.
  - The subject has an estimated glomerular filtration rate (eGFR)  $\geq 30$  mL/min/1.73 m<sup>2</sup> at screening.
  - The subject has a mean seated blood pressure between the 5th and 95th percentile for sex and height.
  - The subject is male or female  $\geq 1$  year at screening and  $< 18$  years of age at Day 1 (Baseline).
- ... and 13 more (see full listing online)

### Exclusion (24)

- A subject who meets any of the following will be excluded from this study:
  - The subject weighs  $< 7.3$  kg at screening.
  - The subject has FSGS or MCD histological pattern secondary to viral infections, drug toxicities, or malignancies.
  - The subject has immunoglobulin A (IgA) glomerular deposits not in the context of primary IgAN or IgAV (ie, secondary to another condition; eg, systemic lupus erythematosus and liver cirrhosis).
  - The subject has had an acute onset or presentation of glomerular disease or a diagnostic biopsy or a relapse of glomerular disease requiring new or different class of immunosuppressive treatment (including, but not limited to, systemic corticosteroids, calcineurin inhibitors and mycophenolate mofetil, abatacept, cyclophosphamide, rituximab, ofatumumab, and ocrelizumab) within 6 months before screening.
- ... and 19 more (see full listing online)

## Locations (47 total)

---

Cedars-Sinai Medical Center, Los Angeles, California, United States  
Nemours Children's Hospital, Wilmington, Delaware, United States  
University of Miami, Leonard M. Miller School of Medicine, Miami, Florida, United States  
... and 44 more locations
