

Nicotinamide Riboside Clinical Trial for GWI

NCT05243290

Status	RECRUITING
Phase	Not Applicable
Sponsor	Roskamp Institute Inc.
Enrollment	52 participants

Key Eligibility Criteria

Inclusion (8)

- Both sexes, all ethnic groups, and ages 47 to 70 years.
- Subject willing and able to give informed consent.
- Medically stable as per the investigator's discretion.
- Negative urine pregnancy test for females of childbearing potential. A woman is considered of childbearing potential unless she is surgically sterile (hysterectomy or tubal ligation) or is postmenopausal (no menstrual cycle for 2 years or more).
- If female of childbearing potential, must be willing to use adequate birth control during the study and for 30 days after the last dose. Females agreeing to take an acceptable form of birth control per investigator discretion (where relevant). Females must prevent pregnancy or otherwise be unable to conceive.

... and 3 more (see full listing online)

Exclusion (8)

- Diagnosed by a physician with medical or psychiatric conditions that would account for their symptoms or interfere with their ability to report their symptoms, as per investigator discretion.
- Female subject is either pregnant or nursing; or if female subject is of childbearing age is not currently on or is unwilling and/or unable to use birth control.
- Have contraindications, allergy, or sensitivity to NR, vitamin B3, or excipients (microcrystalline cellulose, silicon dioxide, magnesium stearate, hypromellose, and/or titanium dioxide).
- Any significant medical condition that could interfere with study conduct, as per investigator discretion. These may include but are not limited to the following: untreated chronic hypertension (defined as systolic \geq 180 mmHg; diastolic \geq 110 mmHg), myocardial infarction within 6 months of screening, renal failure, hepatic failure, and/or receiving chemotherapy.
- Clinically significant lab values for clinical laboratory assessments, as per investigator discretion.

... and 3 more (see full listing online)
