

Delivering Empowering Conversations About Obstetric Regional Anesthesia for Underserved Minorities

NCT05260242

Status	RECRUITING
Phase	Not Applicable
Sponsor	Icahn School of Medicine at Mount Sinai
Enrollment	100 participants

Key Eligibility Criteria

Inclusion (3)

- Parturient patients being admitted to the labor and delivery unit at The Mount Sinai Hospital.
- Patients of age 18 or greater with a singleton fetus of at least 37 weeks of gestation that present in spontaneous labor, for induction of labor, or augmentation of labor.
- Patients in the first stage of labor and who have consented for placement of a labor epidural.

Exclusion (4)

- Patients who are in severe labor pain following verbal informed consent prohibiting them from participating in the discussion,
- Patients who present with a coagulopathy or on anticoagulation medications that exclude them from receiving labor epidural analgesia,
- Patients who do not consent to labor epidural placement, or if they are on a mid-wife service.
- Patients that are converted to a cesarean delivery following trial of labor
