

The Periviable GOALS Decision Support Tool

NCT05264779

Status	RECRUITING
Phase	Not Applicable
Sponsor	Indiana University
Enrollment	216 participants

Key Eligibility Criteria

Inclusion (8)

- Adults (18 years or older)
 - Pregnant between 22 0/7 to 25 6/7 weeks gestation (this window may be slightly different for each recruitment site, as the gestational window that defines periviable delivery varies by institution).
 - Presenting to Labor & Delivery at an approved study site with a pregnancy complication that poses the potential threat of or need for periviable delivery (e.g., rupture of membranes, preterm labor, shortened cervix, pre-eclampsia, and growth restriction).
 - Must have been counseled on their neonatal treatment options (e.g. resuscitation, comfort care) by their healthcare team prior to being approached by the study team.
 - Adults (18 years or older)
- ... and 3 more (see full listing online)

Exclusion (8)

- Under 18 years of age
 - Incarcerated
 - Medically unstable (i.e. in active labor and dilated 6cm or more)
 - Emotionally unstable
 - Have not been counseled by their healthcare team regarding neonatal treatment options
- ... and 3 more (see full listing online)
