

A Game-based Neurodevelopmental Assessment for Young Children

NCT05780853

Status	RECRUITING
Sponsor	Brightlobe Limited
Enrollment	590 participants

Key Eligibility Criteria

Inclusion (4)

- to 8 year old 'typically' developing children with no known neurodevelopmental disorder.
- OR
- to 8 year old children with a diagnosed neurodevelopmental disorder, including Attention Deficit Hyperactivity Disorder (ADHD), Autism Spectrum Disorder (ASD), Specific Learning Disorder, or a Communication Disorder.
- All parents/caregivers and children must have a minimum level of English fluency required to complete the parent questionnaire and the game-based assessment.

Exclusion (1)

- Children with medical comorbidities, a chronic illness or any additional diagnoses that would impact their ability to complete the game-based assessment.
