

Virtual Rehabilitation in HCT

NCT05943964

Status	RECRUITING
Phase	Not Applicable
Sponsor	Emory University
Enrollment	40 participants

Key Eligibility Criteria

Inclusion (5)

- Recipients between the ages of 8 and 23 years e100 days post allogeneic HCT.
- Patients 8-14 years old should have a caregiver willing to assist with the implementation of the exercises during the session
- Patients should have access to devices and a reliable internet connection.
- Patients should be cleared for exercise by their physician
- Patients are eligible to participate regardless of underlying diagnosis, preparative regimen, or graft source.

Exclusion (2)

- Any physical impediment to exercise as evaluated by the treating physician.
- Non-English-speaking patients (due to a lack of available interpreters through the telemedicine platform).
