

Reminder Emails to Improve Pneumococcal Vaccine Completion at 12 Months of Age

NCT06000397

Status	RECRUITING
Phase	Not Applicable
Sponsor	Ottawa Hospital Research Institute
Enrollment	700 participants

Key Eligibility Criteria

Inclusion (3)

- To be included in the study, CANImmunize account holders must have:
- Enabled the reception to receive emails from CANImmunize, and
- Record(s) for an infant aged between 10- and 11-months, who have already received the earlier doses of the pneumococcal vaccine in accordance with their provincial/territorial routine immunization schedule.

Exclusion (3)

- The account holder (parent, or guardian of the child) has an inactive or undelivered email address, or
- No record(s) for an infant aged 10- and 11-months, or
- The record for the 10- or 11-month-old indicates that he/she has not received the prior pneumococcal vaccine doses.
