NCT06001268

Status	RECRUITING
Phase	Not Applicable
Sponsor	H. Lee Moffitt Cancer Center and Research Institute
Enrollment	80 participants

Plain Language Summary

This program (called STRONG-PCS) tests whether a remote nutrition and monitoring program delivered via technology can help patients recover better after major pancreatic surgery for pancreatic cancer.

****You may be eligible if...****

- You are 18 years or older
- You have been diagnosed with pancreatic cancer
- You have had major open pancreatic surgery at Moffitt Cancer Center (such as a Whipple procedure or pancreatectomy)
- You were discharged from the hospital on a regular oral diet
- You speak and read English or Spanish

****You may NOT be eligible if...****

- Your cancer was found to have spread (metastasized) at the time you were evaluated for surgery, making you ineligible for the procedure

Talk to your doctor to see if this trial is right for you.
