

Health Without Barriers/Salud Sin Barreras

NCT06052943

Status	RECRUITING
Phase	Not Applicable
Sponsor	Colorado State University
Enrollment	175 participants

Key Eligibility Criteria

Inclusion (1)

- Families must have at least 1 teen that is between the ages of 11-19 years old and reside in La Plata, Montezuma, or Archuleta Counties.

Exclusion (2)

- Participants will not take part in the program and/or research activities if they have a medical and/or psychological/behavioral condition that, in the opinion of the Colorado State University/Extension program team, could interfere with safety for themselves or others or interfere with the capability of the participant or other participants to potentially benefit from the program (e.g., severe emotional-behavioral disturbance, inability to follow facilitator directions) .
- Parents/guardians will not take part in the program and/or research activities if they have a medical and/or psychological/behavioral condition that, in the opinion of the Colorado State University/Extension program team, could interfere with safety for themselves or others or interfere with the capability of their family or other participating families to potentially benefit from the program (e.g., using drugs or alcohol or under the use of drugs/alcohol during program sessions, aggressive or inappropriate behavior toward other participants).
