

# Implementing a Nurse-led Advance Care Planning (ACP) Intervention in Residential Care Homes

NCT06238063

---

Status	RECRUITING
Phase	Not Applicable
Sponsor	The University of Hong Kong
Enrollment	164 participants

## Key Eligibility Criteria

---

### Inclusion (2)

- Eligible participants have to be age 65 or older and be able to communicate in Cantonese or Mandarin.
- Participants will also be invited to identify family members involved in making decisions about their care to participate in the intervention. For residents who have moderate or severe cognitive impairment (as determined by a score of less than 19 in the Hong Kong version of the Montreal Cognitive Assessment), the participation of family members is mandatory.

### Exclusion (2)

- They have a moderate or severe significant cognitive impairment but do not have family members, or
- They have prior ACP experience (e.g., AD completed).
