

# Project humAn dieTary daTa rEtuRN

NCT06266689

---

<b>Status</b>	RECRUITING
<b>Phase</b>	Not Applicable
<b>Sponsor</b>	Duke University
<b>Enrollment</b>	600 participants

## Key Eligibility Criteria

---

### Inclusion (4)

- Participant's parent/legal guardian is over age 18 and able to understand English
- Plans to remain in the area for the next two years
- Primary caregiver for infant less than 12 months old
- Able to collect and ship the requested infant stool samples

### Exclusion (2)

- There will be no specific exclusions for this study. However, the following biospecimens will not be collected for research purposes from individuals who have a condition that, in the opinion of the site investigators and/or providers, would place the subject at unacceptable risk of injury or confound data interpretation; including but not limited to:
- Health conditions that impact the infant feeding in a way that may confound interpretation of study results.
