

Behavioral Economics to Implement a Traffic Light Nutrition Ranking System: Study 2

NCT06298253

Status	RECRUITING
Phase	Not Applicable
Sponsor	Massachusetts General Hospital
Enrollment	3,750 participants

Key Eligibility Criteria

Inclusion (2)

- Food pantries enrolled in the study will be partner agencies of the Greater Boston Food Bank that are maximum client choice, are located within approximately 1 hour driving time of Boston (for logistical feasibility), and are not actively using traffic-light nutrition ranking.
- Food pantry clients that complete assessments must be 18 years or older and speak English or Spanish.

Exclusion (2)

- Food pantries that are not affiliated with the Greater Boston Food Bank and are not maximum client choice.
- Food pantry clients that do not speak English or Spanish.

Locations (1 total)

Massachusetts General Hospital, Boston, Massachusetts, United States
