

Developing an Utstein-style Danish Drowning Registry: Nationwide Fatal and Nonfatal Drowning Data Since 2016

NCT06334276

Status RECRUITING
Sponsor Prehospital Center, Region Zealand
Enrollment 1,500 participants

Key Eligibility Criteria

Inclusion (2)

- Drowning
- Being registered in the Danish Prehospital Drowning Data with a valid civil registration number to allow for linkage with the in-hospital electronic medical records

Exclusion (4)

- Obvious signs of irreversible death (decapitation, decomposition, post-mortem lividity, post-mortem rigidity).
- Declared dead on scene.
- A valid Do-Not-Attempt-Resuscitation order or other code status orders limiting life-sustaining therapies.
- An invalid civil registration number.
