

SCN1A Horizons A Natural History Study of SCN1A-related Epilepsies in the United Kingdom

NCT06504511

Status RECRUITING
Sponsor NHS Greater Glasgow and Clyde
Enrollment 400 participants

Key Eligibility Criteria

Inclusion (3)

- Patient and/or legally authorised representative must be willing and able to give informed consent/assent for participation in the study.
- Patient and parent/caregiver are willing and able (in the Investigator's opinion) to comply with all study requirements (including ability and willingness to comply with virtual visits).
- Participant has a confirmed pathogenic (class 5) or likely pathogenic (class 4. SCN1A variant, as demonstrated by genetic testing).

Exclusion (1)

- Patient has any other significant disease or disorder which, in the opinion of the Investigator, may either put the patient at risk because of participation in the study, or may affect the patient's ability to participate in the study.
