

# Medical Residents Learning Weight Management Counseling Skills

NCT06529666

---

<b>Status</b>	RECRUITING
<b>Phase</b>	Not Applicable
<b>Sponsor</b>	University of Massachusetts, Worcester
<b>Enrollment</b>	630 participants

## Key Eligibility Criteria

---

### Inclusion (4)

- All PGY1 residents in participating sites
- The program is willing and able to incorporate the MRWeight program into the PGY1 core curriculum.
- The residency director will allow PGY1s to complete surveys and curriculum evaluations online or in class and to complete a standardized assessment of their knowledge and use of WMC, and
- The site will allow inclusion of three successive cohorts of PGY1s to ensure more than a sufficient number of residents to adequately test the effect of the intervention
