

Effectiveness of Motivated Social Motional Learning (MSEL) Program on Bullying Among Hong Kong Primary School Students

NCT06615778

Status	RECRUITING
Phase	Not Applicable
Sponsor	The University of Hong Kong
Enrollment	250 participants

Key Eligibility Criteria

Inclusion (1)

- Primary School: To reduce the confounding effect of academic achievements on student behavior, only public schools in the middle band (i.e., the middle 33% of academic ratings) in Hong Kong will be included in the sampling. Single-sex schools will be excluded in consideration of the sampling diversity. Furthermore, schools implementing other manualized anti-bullying programs will not be included.
