

# Screening for Social Determinants of Health (SDOH) and Cognitive Function in Individuals With History of Stroke

NCT06615973

---

Status	RECRUITING
Sponsor	National Institute of Neurological Disorders and Stroke (NINDS)
Enrollment	450 participants

## Key Eligibility Criteria

---

### Inclusion (5)

- In order to be eligible to participate in this study, an individual must meet all of the following criteria:
- Stated willingness to comply with all study procedures and availability for the duration of the study.
- Adults aged 18 or older.
- Previous participant in the Natural History of Stroke with an interpretable baseline MRI scan, NIHSS measured at baseline or discharge, and admission diagnosis of ischemic stroke.
- Fluent in English or Spanish

### Exclusion (4)

- An individual who meets any of the following criteria will be excluded from participation in this study:
- Modified Rankin Scale (mRS) = 6 at any follow-up (usually up to 90 days) in the Natural History of Stroke study (mRS = 6 indicates the participant is dead).
- Is pregnant per self-report
