

Healing Tiny Minds: Rural Recovery Through Virtual and Lived Experience Care

NCT06643598

Status	RECRUITING
Phase	Not Applicable
Sponsor	University of Wisconsin, Madison
Enrollment	225 participants

Key Eligibility Criteria

Inclusion (5)

- IPNH-NDCP patients, including:
- Term-born children diagnosed during the neonatal period with hypoxic-ischemic encephalopathy, or
- premature children (born at less than 28 weeks gestational age).
- Parent or legal guardian will also be enrolled as a participant
- Parents must be English-speaking (able to provide consent and complete questionnaires).

Exclusion (3)

- Not suitable for study participation due to other reasons at the discretion of the investigator.
- Infants with chromosomal abnormalities, genetic syndromes (for example, such as Down Syndrome or Trisomy18) and major congenital malformations will be excluded.
- Infants with vision impairment will also be excluded from the study, as our study procedures do require intact vision to be able to complete.
