

# A Study to Investigate Changes in Symptoms in Adult Participants With Chronic Rhinosinusitis With Nasal Polyposis Initiating Treatment With Tezepelumab

NCT06706817

---

<b>Status</b>	RECRUITING
<b>Phase</b>	Phase 3
<b>Sponsor</b>	AstraZeneca
<b>Enrollment</b>	180 participants

## Key Eligibility Criteria

---

### Inclusion (26)

- Participants must be 18 years of age or older, at the time of signing the informed consent.
- Participants with physician-diagnosed CRSwNP for at least 12 months prior to Visit 1 who have all of the following:
- Severity consistent with the need for surgery as defined by total NPS e 4 (at least 2 for each nostril) at screening, as determined by the central reader
- Mean NCS e 2 in the 2 weeks prior to Visit 2
- Ongoing documented NP symptoms for > 8 weeks prior to screening such as rhinorrhoea, reduction or loss of smell and/or poor quality/loss of sleep
- ... and 21 more (see full listing online)

### Exclusion (26)

- Participants with documented allergic fungal rhinosinusitis and/or central compartment atopic disease.
- Any clinically important pulmonary disease other than asthma (eg, active lung infection, bronchiectasis, pulmonary fibrosis, cystic fibrosis, primary ciliary dyskinesia, allergic bronchopulmonary mycosis, hypereosinophilic syndromes, etc) that could confound interpretation of clinical CRSwNP endpoints results.
- Any disorder, including, but not limited to, cardiovascular, gastrointestinal, hepatic, renal, neurological, musculoskeletal, infectious, endocrine, metabolic, haematological, psychiatric, or major physical impairment that is not stable in the opinion of the investigator and could:
- Affect the safety of the participant throughout the study
- Influence the findings of the study or the interpretation
- ... and 21 more (see full listing online)

## Locations (44 total)

---

Research Site, Newport Beach, California, United States  
Research Site, Chicago, Illinois, United States  
Research Site, Chestnut Hill, Massachusetts, United States  
... and 41 more locations
