

# AI-Driven Prediction of Dialysis Outcome With EHR

NCT06791447

---

Status	RECRUITING
Sponsor	The Eye Hospital of Wenzhou Medical University
Enrollment	1,000,000 participants

## Key Eligibility Criteria

---

### Inclusion (3)

- Patients who have been undergoing dialysis (either hemodialysis or peritoneal dialysis) for at least 3 months.
- Complete and accessible EHR data, including medical history, laboratory test results, dialysis treatment details, and clinical observations.
- Participants must provide informed consent for the use of their health data for research purposes.

### Exclusion (2)

- Patients with incomplete or missing critical EHR data, including medical history, laboratory results, dialysis data, or treatment details necessary for the study.
- Patients who have been on dialysis for less than 3 months, to ensure stable data for outcome prediction.

## Locations (1 total)
