

# A Study of TAK-411 in Adults With Chronic Inflammatory Demyelinating Polyradiculoneuropathy (CIDP)

NCT06798012

---

|            |                 |
|------------|-----------------|
| Status     | RECRUITING      |
| Phase      | Phase 2         |
| Sponsor    | Takeda          |
| Enrollment | 36 participants |

## Key Eligibility Criteria

---

### Inclusion (10)

- The participant is at least 18 years of age, inclusive, at the time of signing the Informed Consent Form (ICF).
- The participant has a body weight of less than or equal to ( $\leq$ ) 150 kilogram (kg).
- The participant has a documented diagnosis of typical CIDP, as confirmed by a neurologist specializing/experienced in neuromuscular diseases and consistent with the European Academy of Neurology/Peripheral Nerve Society (EAN/PNS) 2021 criteria.
- The participant has responded to IgG treatment in the past (documented partial or complete resolution of neurological symptoms and deficits).
- The participant has had disease activation within 18 months before screening, as documented in medical records and in the opinion of the investigator, defined as one of the following:  
... and 5 more (see full listing online)

### Exclusion (15)

- The participant has a documented diagnosis of a CIDP variant per EAN/PNS 2021 criteria.
- The participant has any neuropathy of other causes, including the following:
  - Hereditary demyelinating neuropathies, such as hereditary sensory and motor neuropathy, Charcot-Marie-Tooth disease, and hereditary sensory and autonomic neuropathies.
  - Neuropathies secondary to infections, disorders, or systemic diseases such as *Borrelia burgdorferi* infection (Lyme disease), diphtheria, systemic lupus erythematosus, POEMS (polyneuropathy, organomegaly, endocrinopathy, M-protein, and skin changes) syndrome, osteosclerotic myeloma, diabetic and nondiabetic lumbosacral radiculoplexus neuropathy, lymphoma, amyloidosis.
  - Multifocal motor neuropathy.
- ... and 10 more (see full listing online)

## Locations (20 total)

---

University of California San Diego, La Jolla, California, United States  
California Pacific Medical Center, San Francisco, California, United States  
UF Health Neurology - Jacksonville, Jacksonville, Florida, United States  
... and 17 more locations
