

# Study to Evaluate the Efficacy and Safety of Different Doses of Graminidin With Anesthetic, a Metered Dose Topical Spray, in the Treatment of Acute Infectious and Inflammatory Pharyngeal Diseases Compared With Drug Septolete Total, Lozenges

NCT06843018

---

Status	RECRUITING
Phase	Phase 2
Sponsor	Valenta Pharm JSC
Enrollment	300 participants

## Key Eligibility Criteria

---

### Inclusion (27)

- Male or female patients aged 18 to 75 years inclusive.
  - Symptom "sore throat" due to infectious-inflammatory diseases of the pharynx (acute pharyngitis, acute nasopharyngitis, exacerbation of chronic pharyngitis) based on one or more of the following clinical manifestations:
  - Unpleasant sensations/discomfort in the throat - symptoms of pharyngeal paresthesia (scratchy throat, dryness or sore sensation ("foreign body" sensation));
  - Painful sensations in the throat, including sore throat at rest, throat burning, or pain upon swallowing saliva;
  - Severity of the symptom "sore throat" from 55 mm to 80 mm on the Visual Analog Scale (VAS).
- ... and 22 more (see full listing online)

### Exclusion (11)

- Ineffectiveness of therapy. Therapy will be considered ineffective if there is no clinical improvement by Visit 2 (Day 3-4 of therapy) - persistence or worsening of the symptom "sore throat" and catarrhal phenomena compared to baseline data. If excluded, the patient will be assigned alternative treatment at the discretion of the investigator.
  - Patient non-compliance (a patient is considered compliant if the number of applications of the study drug/comparison drug is not less than 17 and not more than 25).
  - Smoking more than 10 cigarettes per day.
  - Requirement for prohibited concomitant therapy.
  - The investigator determines that continued participation in the study may pose a risk to the subject's safety or well-being.
- ... and 6 more (see full listing online)

## Locations (12 total)

---

State autonomous health care institution "Engels City Clinical Hospital No. 1", Engel's, Russia  
State Budgetary Healthcare Institution of the Kaliningrad Region "City Hospital No. 2.", Kaliningrad, Russia  
Unimed-C Jsc, Moscow, Russia  
... and 9 more locations
