

Long Covid (LC)-REVITALIZE - A Long Covid Repurposed Drug Study

NCT06928272

Status	RECRUITING
Phase	Phase 3
Sponsor	Douglas D. Fraser
Enrollment	348 participants

Key Eligibility Criteria

Inclusion (15)

- Adults e 18 years of age and d 65 years of age
 - Previous Covid-19 (SARS-CoV-2 infection) within the past four years, as determined by the site investigator using the following certainty scale (based on available clinical history and/or serologic data):
 - Confirmed Infection (PCR or n-Capsid Test): Prior positive nasopharyngeal or salivary PCR test for Covid-19 (documented proof and/or verbal confirmation by participant) or has positive nucleocapsid antibodies results.
 - Probable Infection (Antigen Test): Participant verbally confirms a prior positive rapid antigen test without PCR confirmation.
 - Possible Infection (Viral Syndrome and Epidemiological Link): Participant verbally confirms experiencing symptoms consistent with Covid-19 infection and has an epidemiological link (i.e., exposure to a confirmed case) without any positive testing.
- ... and 10 more (see full listing online)

Exclusion (41)

- Participants who have any one or more of the following criteria at the time of enrollment will be excluded:
 - Participants who do not meet the criteria outlined above
 - Participants who are unable to provide their informed consent
 - Participants who are pregnant, lactating, or plan to become pregnant during the time of the study
 - Persons of childbearing potential who are unwilling or unable to abstain from sex or to use at least one acceptable method of contraception from the time of screening through at least 30 days after the end of the study intervention period. Acceptable methods include barrier contraceptives (e.g., condoms or diaphragm) with spermicide, intrauterine devices (IUDs), hormonal contraceptives, oral contraceptive pills, and surgical sterilization. Participants unwilling to be counseled about the risks related to pregnancy or breastfeeding will also be excluded.
- ... and 36 more (see full listing online)
