

# Efficacy of Artificial Intelligence for Gatekeeping in Referrals to Specialized Care

NCT07019116

---

Status	RECRUITING
Phase	Not Applicable
Sponsor	Hospital de Clinicas de Porto Alegre
Enrollment	934 participants

## Key Eligibility Criteria

---

### Inclusion (2)

- All referrals from a given specialty (waitlist) will be eligible.
- Specialties will be selected following Rio Grande do Sul Health Department priorities.

### Exclusion (2)

- Referrals that the AI algorithm can not evaluate. These include referrals with attachments (further information in image or PDF files) and referrals with previous rounds of discussion.
- Referrals in which the algorithm has low confidence in the decision (i.e., informed data lead to a decision with a probability below 80%) will not be included in the study.

## Locations (1 total)
