NCT07091721

Status	RECRUITING
Phase	Not Applicable
Sponsor	Anna Freud
Enrollment	632 participants

Key Eligibility Criteria

Inclusion (8)

- Age 10-17 years at the time of referral;
 - Aggression and/or violence are indicated at referral or assessment;
 - Participation in the evaluation would not interfere with statutory orders;
 - Child and parent/carer (for children 10-15 years) are able to consent and engage with the study materials;
 - Living in the community at time of referral and no imminent plans to move to hospital, residential, or secure settings.
- ... and 3 more (see full listing online)

Exclusion (8)

- Age under 10 or age 18 or older at the time of referral;
 - No evidence of aggression and/or violence indicated at referral or assessment;
 - FCAMHS are only offering a one-off consultation or assessment (e.g., the network around the child requires support to manage risk but additional input is not required);
 - Child's level of English is not sufficient to engage in the intervention;
 - Child and/or parents/carers refuse to engage with FCAMHS;
- ... and 3 more (see full listing online)
