

# Point of Care Fibrinogen Measurement in Trauma Patients in the Emergency Department

NCT07097337

---

**Status** RECRUITING  
**Sponsor** Erasmus Medical Center  
**Enrollment** 150 participants

## Key Eligibility Criteria

---

### Inclusion (4)

- To be eligible to participate in this study, a subject must meet the following criteria:
- The participant is judged to be an adult (according to the attending clinician, e.g. 16 years or older) and has sustained traumatic injury
- The participant is deemed by the attending clinician to have on-going active hemorrhage
- The major hemorrhage protocol (MTP) is activated or this patient and transfusion is initiated

### Exclusion (3)

- A potential subject who meets any of the following criteria will be excluded from participation in this study:
- The participant has been transferred from another hospital
- The trauma team leader deems the injuries incompatible with life
