

OurRelationship-S: A Digital Relationship-Strengthening Program for Couples Experiencing Substance Misuse

NCT07159633

| | |
|------------|------------------|
| Status | RECRUITING |
| Phase | Not Applicable |
| Sponsor | OurRelationship |
| Enrollment | 120 participants |

Key Eligibility Criteria

Inclusion (6)

- To be eligible to participate, couples will need to be:
- in a romantic relationship and married, engaged, cohabiting, or dating exclusively for >6mo;
- Age 18+
- Both partners are willing to participate in the study
- Both partners are fluent readers of the English language and
- ... and 1 more (see full listing online)

Exclusion (2)

- Inadequate internet connection. To ensure that the program can function properly, participants will be required to have access to high-speed internet in their homes or on their smartphones (with regular wireless/hotspot or a minimum 4G cellular connection).
- Have already decided to end the relationship. Because the tested programs are designed to help couples improve their relationships (rather than deal with a separation or divorce), couples will be excluded if either partner endorses that they "will probably end my relationship even if it does get better" or that they "have already made the decision to end my relationship."
