

Comfort and Vision With TOTAL30 Multifocal Lenses

NCT07284966

Status	RECRUITING
Sponsor	Scripps Poway Eyecare and Optometry
Enrollment	36 participants

Key Eligibility Criteria

Inclusion (10)

- Subjects are eligible for the study if they meet the following criteria:
 - Subjects who currently wear soft multi-focal contact lenses and score <12 on an entering CLDEQ-8 survey.
 - Subjects who are ≥ 40 years old.
 - Subjects who can and are willing to wear their lenses for 13 hours per day during the study period, and 16 hours per day when questionnaires are being taken.
 - Willing to insert their contact lenses between 6:00 am and 8:00 am on the days when questionnaires will be taken.
- ... and 5 more (see full listing online)

Exclusion (13)

- Ocular anterior segment infection, inflammation, abnormality, or active disease that would contraindicate contact lens wear.
 - Use of systemic or ocular medications for which contact lens wear could be contraindicated as determined by the investigator.
 - Use of isotretinoin-derivatives.
 - Use of lubricating drops.
 - Monocular patients or patients fit with only 1 multifocal lens.
- ... and 8 more (see full listing online)
