

One-Minute Preceptor to Improve Bedside Teaching

NCT07305077

Status	RECRUITING
Phase	Not Applicable
Sponsor	Can Tho University of Medicine and Pharmacy
Enrollment	450 participants

Key Eligibility Criteria

Inclusion (10)

- A. Student participants (outcome level):
 - Aged ≥18 years at enrollment.
 - Enrolled Year 4-medical students assigned to one of the participating preceptor-led bedside teaching groups during the study period.
 - Expected to attend the rotation for 8-12 weeks (or the site's standard rotation length).
 - Able to provide informed consent (and agree to be observed/assessed via mini-CEX).
- ... and 5 more (see full listing online)

Exclusion (9)

- A. Student participants:
 - Prior exposure to formal OMP-based teaching within the past 6 months in the same department.
 - Not expected to remain on the rotation long enough to be assessed (e.g., planned absence >2 weeks or early withdrawal).
 - Declines or withdraws informed consent.
 - Severe communication barrier that precludes valid assessment (e.g., language barrier without support).
- ... and 4 more (see full listing online)
