

Inter- and Intra-Observer Reliability of the IOWA Level of Assistance Scale and the Effect of Staff Retraining

NCT07330011

Status RECRUITING
Sponsor Istituto Ortopedico Rizzoli
Enrollment 42 participants

Key Eligibility Criteria

Inclusion (6)

- For Observers (Physiotherapists):
 - All physiotherapists working at the main Istituto Ortopedico Rizzoli (IOR) site in Bologna or at the two satellite sites in Argenta and Bagheria.
 - Physiotherapists must have the role of observers in the study. All physiotherapists affiliated with the SAITeR service who have previously received initial training in the use of the ILoA scale; newly hired staff must have completed the specific training pathway.
 - For Patients:
 - Patients admitted to IOR Bologna or Argenta for whom administration of the ILoA scale is part of routine clinical practice.
- ... and 1 more (see full listing online)

Exclusion (1)

- Refusal or inability to provide informed consent (for both physiotherapists and patients).
