

# BioBrace® in Arthroscopic Brostrom Lateral Ankle Ligament Repair

NCT07401095

---

Status	RECRUITING
Phase	Not Applicable
Sponsor	Hancock Orthopedics
Enrollment	40 participants

## Key Eligibility Criteria

---

### Inclusion (4)

- At least 18 years of age at the time of surgery.
- Able to read, understand and sign the informed consent form.
- Willing to be available to attend each protocol required visit and complete the study required questionnaires.
- Scheduled to undergo primary, arthroscopic Brostrom repair.

### Exclusion (8)

- Previous Brostrom surgery.
- Concomitant procedures that would change the post operative course/recovery (i.e. total ankle replacement, OCD repair, foot/ankle osteotomies) as determined by the Investigator.
- Currently participating or plans to enroll in another clinical trial during this study that would affect the outcomes of this study as determined by the Investigator.
- History of non-compliance with medical treatment or clinical trial participation.
- The subject is physically or mentally compromised (e.g., currently being treated for a psychiatric disorder, senile dementia, Alzheimer's disease, etc.), to the extent that the Investigator judges the subject to be unable or unlikely to remain compliant with protocol required follow-up.
