

# Italian Validation of a Pressure Injury Risk Assessment Scale (Braden QDS) in the Neonatal Intensive Care Unit

NCT07425418

---

Status	RECRUITING
Sponsor	Fondazione IRCCS Policlinico San Matteo di Pavia
Enrollment	600 participants

## Key Eligibility Criteria

---

### Inclusion (4)

- The criteria for the inclusion of newborn babies correspond to the eligibility criteria for admission, in accordance with current company protocols, which provide for
- age on admission of less than 28 days,
- body weight on admission less than 5 kg,
- informed consent completed and signed by both parents. In the case of a newborn child recognised by only one parent, the signature and consent of only one of them, the one who recognises the newborn child, will be sufficient.

### Exclusion (2)

- age greater than 28 days at the time of admission to the NICU
- weight greater than 5 kg at the time of admission to the NICU - Lack of Informed Consent from Parents

## Locations (1 total)
